

REMARKS

Applicants have reviewed the Notice of Allowance and Fee(s) Due mailed July 10, 2009, and respond as follows:

Paragraph [0002] has been amended to properly cross-reference indicated provisional applications and subsequently filed utility applications.

Claim 39 has been amended to clear up "processor" language associated with the provisioning service.

Reconsideration of the Application is requested.

Regarding Claim 39, Claim 39 has been amended to eliminate "an associated process" which is unnecessary because "a processor" is claimed. No new matter has been added and the scope of the claims is not changed.
